

URLINKED

Prairie Lakes Coop
CHS SERVICE CENTER

Register Now!

Did you know URL stands for universal (or uniform) resource locator? Now **You are linked** to a world of resources through **MyCHS**. Today you can look up your invoices; access to additional account information is planned in the near future. **But you need to register in order to access your account information.** You just need to follow a few simple log-in steps on the back of this card to be certain you can access important account information the next time you need it.

User Registration Process

Registering to use MyCHS is very similar to the registration processes you may have experienced on other websites.

1 Go to **www.prairielakescoop.com**. In the right corner, you will see an **Account Log In** box. Below that, select **“register for account access.”** After reviewing **legal text** and, if you choose, select **“I agree.”**

2 You will also be asked to select a user name and password, as well as responses for personal security questions. Your user name cannot be your e-mail address. Passwords will require a minimum of eight characters, including one lower case letter, one upper case letter and one numeral.

3 A summary of your registration will display and we recommend you print a copy of this page for future reference. If the information is correct, select “submit.” You will receive an e-mail message asking you to confirm your e-mail address. **You must respond to this message.**

*For future access to your account information, simply go to **www.prairielakescoop.com** and log on using your new user name and password.*

Should you need additional help and/or information about any portion of the form, select the blue question mark **“button”** in that area.

If you have questions, 1) contact your CHS cooperative, 2) select **“registration help”** on the lower right of your screen, 3) or complete the form on the Contact Us link.
